**ROTARY FELLOWSHIPS**

Rotary Fellowships are groups of Rotary members who

- Share a common interest in recreational activities, sports, hobbies, or professions
- Further their vocational development with others in the same profession or field
- Enhance their Rotary experience by exploring new opportunities and making connections around the world

**HOW ROTARY FELLOWSHIPS OPERATE**

- Each fellowship functions independently of Rotary International, establishing its own rules, dues requirements, and administrative structure.
- Membership is open to Rotarians, spouses of Rotarians, and Rotaractors.
- Fellowships must have an international scope, with active members in at least three countries.

**BENEFITS OF ROTARY FELLOWSHIPS**

Fellowships:

- Enable Rotarians to make lasting friendships outside their own club, district, or country
- Contribute to the advancement of Rotary's public image and identity
- Serve as an incentive for joining Rotary and for continuing as a member

## LAST WEEK'S MEETING

**Clint Callison** led the singing of O Canada, and **Karen Duffield** gave an excellent invocation.

**Mark Forster** gave our Rotary Moment, with an example of how Mark applies the Four Way Test in his occupation.

We had two visitors, namely **Irena Shantz** (who President Eric says attends our meetings more often than some of our members!) and **Theresa D'Onofrio** (a guest of **Deborah Hyslop**).

Our guest speaker was unable to attend, but we had a lot to talk about.

### Happy and Sad

**Mark Forster** was happy to announce that his new replacement house (the old one was destroyed by fire) will be at lockup stage by the end of the week (but if the past in any indication, will it be a few weeks? We will be anxious to hear).

**David Riddell** was both sad and happy to advise that he had just spent four days with his daughter Charlotte camping in a tent (not a motorhome) at the Maple Ridge Equestrian Centre where he was cleaning out stalls and getting bitten to death by mosquitoes - but spending some good times with his daughter.

**Walter Volpatti**, our Treasurer, was sad to see that only 10 club members had paid their dues to date.

**Brian Bekar** had some good news - his rezoning application had passed first reading for the new location of Mark's Work Wear.

**Matt DeBruyn** stated that volunteers were needed to help with the Duck Race particularly on Sunday, August 31, the day of the event.

Our mystery greeter was **Clint Callison**, and our fine master was **Ineke** who fined everyone who had not yet paid their dues a dollar.

### Announcements:

**President Eric** advised that the Directors reports are on our club website, so we can all keep informed of what is going on.

August 16, 2014 will be the date for the Vision Session with the District, provided we get enough members attending the session. The purpose of the meeting is to discuss and plan out the future direction of our Club so that we can have more continuity from year to year. It will be on a Saturday morning and breakfast will be served.

Eric noted that membership is one of our priorities in this Rotary year. Eric presented our Past President Adrienne Dale with a new member pin sent to us by Rotary International to recognize members in our club who have recently sponsored new members.

**October 11** will be our Oktoberfest.

**Mark Forster** announced that on September 13 at the Legion the club will be holding a Pub Night to raise money for the club. 100 tickets will be available, and all members are urged to attend and bring friends and family. There will be silent auction items, and if anyone has any items to donate, please contact Mark. There will also be 50-50 tickets at the event.

**Bob Shantz** gave us an update on the Duck Race. There was a Rotary booth at the Pitt Meadows Air Show to sell Duck Race tickets. **Irena Shantz** sold 52 tickets for the duck race at the event, and at the booth sponsored by the Becker Law Firm \$241 in donations was provided for the Duck race and \$46 for the Rotary Foundation. Bob has \$25,000 cash "in hand" from ticket sales.

In the near future Bob will give the club a report on the future of the Duck Race. It is not fair or reasonable that Bob should be expected to carry the load which he has done in the past few years of managing this fund-raising event and unless another Poppa Duck comes forward, it may be that another group will have to take over the running of this Fund Raiser.

**David Rempel** gave us an enthusiastic update of the Frisbee Golf Social Event which will be held on Sunday, September 21 at his property and bird sanctuary (weather permitting). There will be the four F's: Food, Fellowship, Fundraising and Fun. Food will include a barbecue with each person bringing something for the potluck dinner, and a nominal \$10 charge per person.

Funds which are raised will go to support Polio Plus. It will be a two-club event, with the Haney Club joining us for the occasion. Dave will attend at the Haney Club to solicit their support.

**Ineke Boekhorst** encouraged some of us to join the Nicaragua Rotary International team from our club, to attend on this two week "working holiday", which cost only \$2,000 per member including flight, accommodation and food. Participants work till noon, and have the rest of the day off to socialize, swim in the ocean, sight see, or have a siesta.

### Last year's Garage Sale

To raise funds for the event there will be a booth on August 23 between 9 AM and 2 PM at the **Community Garage Sale** on 224<sup>th</sup>. The Garage Sale happens at the same time as the Farmers

Market in Memory Peace Park. All club members are urged to go through their basements and garages and come up with some donations that can be sold at the event for this important fundraiser. Leftovers will be donated to the Ridge Meadows Hospice Society - Thrift Store, unless the donor wants it back.

### 50-50

They say "diamonds are forever", but the 6 of Diamonds did not produce any long-lasting cash for **Bob Shantz** who won this week's ticket draw but not the pot.

**Matt DeBruyn** (who described himself as a bit "loquacious") said he enjoyed a meeting without a speaker from time to time, where club members can visit each other and simply enjoy one another's fellowship.
