### [April 27th Rotarians at Work Day](#)

Posted by Raymond Ward on Apr 27, 2013

Every year, during a two week period, most Rotary clubs throughout the world find a local project to support the community. This year the Rotary Club of Rocklin/Loomis Basin

decided to clean up Loomis by picking up trash along Sierra College Blvd. [Click Here](#) to see more pictures.

In the upcoming weeks, the club will also be helping at the Loomis Soap Box Derby (May 4) and the Rocklin Community Festival (May 30 - June 1).

Today, our club had an Informational meeting about Rotary and great things our club does to give back to the community. The meeting was designed to remind our members and guests about the importance things we accomplish. We were pleased that 6 people from the community joined us.

The presentation was lead off with Cris discussing "What Makes Rotary Unique". John followed giving us an update on the "Garden Project", then Christy explained some the programs that we provide to "Local Schools", and Marlene ended the presentation discussing the "End Polio Now" program.

### Bunco Night April 20th

Posted by Raymond Ward on Apr 20, 2013

Who says that Rotarians can not have FUN!

On April 20th, members and their spouses attended a high spirited game of Bunco. After food, drink and a few hours of intense competition, we had some winners. Gena won the big prize, most Buncos. Ed had the most wins with Orley coming in second. After a playoff, Candice beat John for most losses.

At the end of the evening, everyone was a winner because we had lots of fun and Rotary friendship.

#### **April 17th Club Meeting with the South Placer Club**

Posted by Raymond Ward on Apr 17, 2013

For the third Rotary year, our club had a joint meeting with the South Placer club. This week, we attended their lunch meeting.

After everyone introduced themselves, we had a nice lunch together without any fights, only a few good humor zingers. It did seem like our club had more members attend the meeting than the South Placer club.

The speaker was State Senator Jim Nielsen. Senator Nielsen provided us with an update of the workings of our state government.

#### **April 10th Club Meeting w Bill Wittich**

Posted by Raymond Ward on Apr 10, 2013

Dr Bill Wittich of the Rotary Club of Laguna Sunrise, joined us and provided the club with some great fundraising ideas.

Some of his suggestions: 1) develop a relationship first, 2) ask them face to face, 3) acknowledge the donor, and 4) ask for larger donations.

By the end of his presentation, many members were looking for new ways to approach local sponsors.
