Jack's Closet Update...Committee

Meeting 1-4-14 Update-

Mike Rubiy- for the guys using the suits for interviews it would be great for you to alter the suit. Could you talk to your member from Sparkle about cleaning and doing the alteration?? Maybe two a month.

Jimmie- IDLC guys are more than welcomed to come find a suit. Randy Martin says the more the merrier.

Want to work with Rotaractors on a project to set a Saturday to go out and pick up suits/clothing from Rotarians. What covenant can't use will be taken to the Homeless shelter or-Rescue Mission.

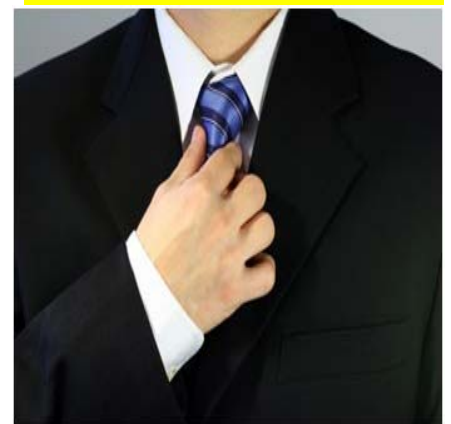

Need to develop a slush fund for shoes and socks and shirt to go along with the suit for a job interview.

Randy is going to talk to Robin Paggi about doing some job interview videos.

When Rotaract is up and running we want to develop a buddy system matching a foster kid with a Rotaractor.

That's a synopsis of our discussion.—Prez Schwartz

Please continue to bring in suits, shirts, ties, shoes and luggage as you can so that Jack's Closet will be full and at the ready for men needing to interview or to go off to work. Thank you already for what has been donated in Jack's name!

INFO ABOUT RYLA & RCC

ROTARY YOUTH LEADERSHIP AWARDS (RYLA)

"Each summer thousands of young people are selected to attend Rotary sponsored leadership camps or seminars in districts throughout the world. In an informal atmosphere, groups of outstanding young people ages 14-30 spend several days in a challenging program of leadership training, discussions, inspirational addresses, and social activities designed to enhance personal development, leadership skills and good citizenship. The official name of this activity is the Rotary Youth Leadership Awards program (RYLA), although these events are sometimes referred to by other names, such as Camp Royal, Camp Enterprise, Youth Leaders Seminars, Youth Conferences or other terms.

The RYLA program began in Australia in 1959, when young people throughout the state of Queensland were selected to meet with Princess Alexandra, the young cousin of Queen Elizabeth II. The Rotarians of Brisbane, who hosted the participants, were impressed with the quality of the young leaders and decided to bring youth leaders together each year for a week of social, cultural and educational activities. The RYLA program gradually grew throughout all the Rotary districts of Australia and New Zealand. In 1971, the RI Board of Directors adopted RYLA as an official program of RI."

ROTARY COMMUNITY CORPS (RCC)

"One of the programs in Rotary's panoply of worldwide service activities and projects is the Rotary Community Corps (RCC). Formerly known as Rotary Village Corps (or Rotary Community Service Corps in urban areas), this form of grassroots self-help service was initiated by RI President M.A.T. Caparas in 1986 as a means of improving the quality of life in villages, neighbourhoods and communities. Frequently there is an abundance of available labor but no process for mobilizing men and women to conduct useful projects of community improvement.

A Rotary Community Corps is a Rotary club-sponsored group of non-Rotarians who desire to help their own community by conducting service projects. Rotarians provide guidance, encouragement, organizational structure and some of the material assistance for the Rotary Community Corps, whose members contribute the manpower and knowledge of community needs to help their own community. Thus, the Rotary Community Corps offers another way for Rotarians to serve in places of great need."

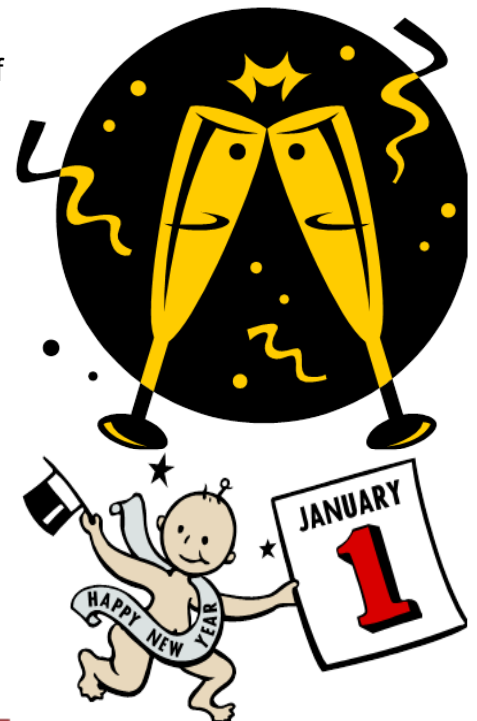

Harris' Homilies: Words of Wisdom By Rotary Founding Father Paul Harris

"If Rotary ceases to be a responsibility and becomes a mere relaxation or pastime, it's usefulness will cease."

"Whatever Rotary may mean to us, to the world it will be known by the results it achieves."

"I sometimes see, or think I see, Rotary the harbinger of a general worldwide philosophy of business and of life, with happiness as it's goal."

"Rotary, taken at its best, is a spiritualized philosophy, fitted to the everyday requirements of men."

Hope Your New Year far exceeds last year and that you rediscover happiness at Bakersfield East Rotary with serving on a new project this year, in 2014!

Disclaimer- No notes exist as to who did what, so everyone above could have been gone for the weekend or not. The Editor's memory has had a total blockage as to the day. There was so little going on that the pictures are puny in this publication as well. If pictures of the people that were there were taken, then wala- you'd have more info- okay- I'm looking for the fine...No one volunteered their favorite Christmas memory- apparently their memories aren't so good either, so I must be in good company, or they have sucked out my memory buttons for themselves as they were on low too with all the things to remember for the holiday. Whew- it's over, that's the good news! The bad news is we had two weeks inbetween meetings so look out! The Prez will be on a roll!

Follow Up : Tom Burch, PP reports an addition to the count of the items that were delivered to the Jameson center on December 19 and in addition to what was received at the Christmas Party and delivered on that day with the cash donations received:

20 PJ's

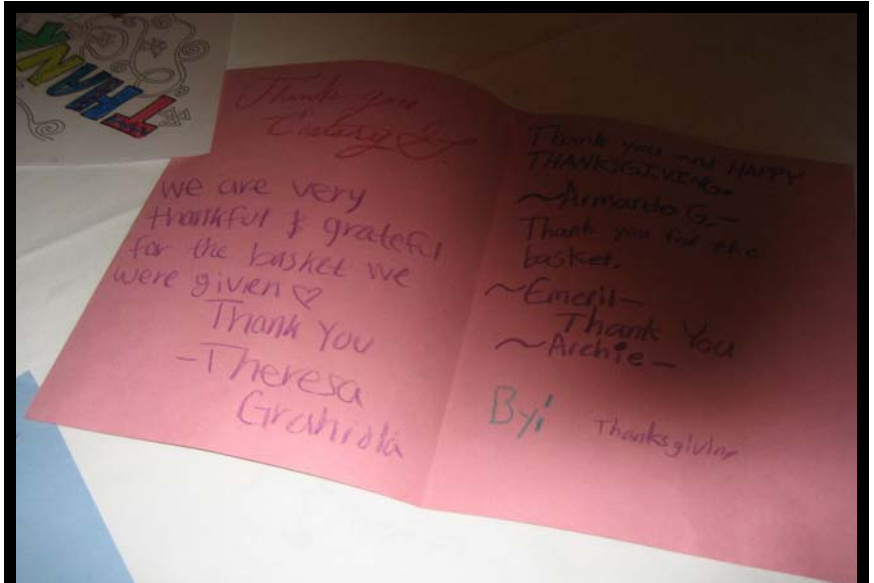

3 T shirts

12 pairs of sox.

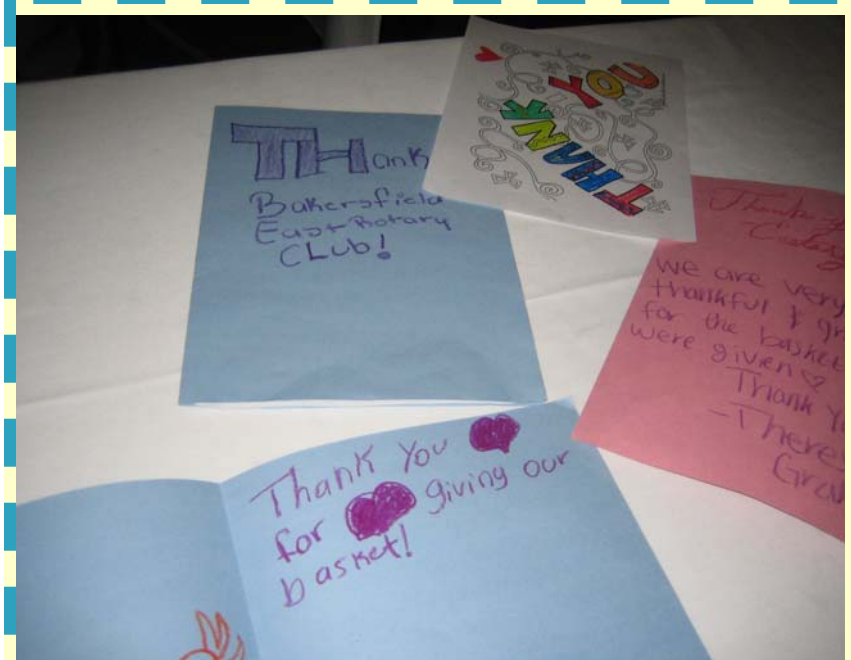

46 pairs of pants

87 onesies

Thank You BERCers!

Thank you cards greeted BERCers who attended the Meet & Eat on 12/20/13. The kids were thankful for the food baskets they received for their families for Christmas.
