The Schuetz Career Center is for students who would choose a Vocation over a College Degreed Program. They offer many classes.

Steve Gibbs, PP shares with Tom Burch, PP and Richard Ramos about his daughters car accident. The truck took a hit, but Ali is fine. It bent the bed of the truck. Trucks=good protection!

Sully has been working out of town for weeks now, but he was at the meeting today! Richard Ramos and PP Dave Bass were listening intently to the Car Shop Teacher describe all they do at the Vocational Center. The wheel below was waiting a treatment of some sort to make it shine again!

Below: The cars they work on to repair are usually newer, the one they just finished working on a fender is a 911S Porsche. The fender took a hit- but if you hadn't been told that, you' never have known. If you have been putting off a car repair, give this group a call: The Schuetz Career Center 827-4800

ROTARY RESOURCES***THE COLLEGE OF ROTARY KNOWLEDGE*****MEMBERSHIP IN OTHER ORGANIZATIONS**

"Rotarians cannot belong to similar community or service clubs that would substantially reduce the member's opportunity to comply with the obligations of membership. A person being considered for membership in a Rotary club is expected to disclose membership in other service organizations. Rotarians who wish to join a similar community or service organization should seek prior approval from the Rotary club board of directors.

The club's board may terminate the membership of any member for any good cause. This could include not fulfilling the obligations of Rotary club membership because of continued membership in another service club."

ACTIVE AND HONORARY MEMBERSHIP IN SAME CLUB

"Members cannot simultaneously hold active and honorary memberships in the same club. However, a person may be an active member of one club and an honorary member of another club. A satellite club member is also a member of the sponsor club."

HONORARY MEMBERSHIP

"The procedure for electing honorary members is detailed in article 7, section 6, of the Standard Rotary Club Constitution. Honorary membership is the highest distinction that a club can bestow and should be conferred only in exceptional cases. Clubs should grant honorary membership only as a distinction for meritorious service that embodies Rotary ideals or for permanent support of Rotary's cause.

Honorary members are exempt from paying admission fees and dues, may not vote, and may not hold any office in the club. Such members do not hold classifications but are entitled to attend all meetings, wear the RI emblem, badge, or other RI insignia, and enjoy all the other privileges of the club. No honorary member of a club is entitled to any rights or privileges in any other club, except for the right to visit other clubs without being the guest of a Rotarian. Individuals may hold honorary membership in more than one club."

INDUCTION OF NEW MEMBERS

"Clubs hold induction ceremonies to welcome new members. Each club develops its own procedures for a meaningful induction ceremony. The Club President's Manual provides more information on induction ceremonies.

Clubs are also encouraged to develop a strong membership information program that educates the prospective Rotarian on the benefits and responsibilities of being a Rotarian before induction. Information on the three membership stages — information, invitation, and induction — is available at www.rotary.org/myrotary."

MEMBERSHIP CARDS

"Rotary clubs issue membership cards, available from official licensees, to their active members. Every Rotarian visiting a club in which he or she is not personally known should present a Rotary membership card as a means of introduction."
