REINSTATEMENT OF CLUBS TERMINATED DUE TO NONPAYMENT OF FINANCIAL OBLIGATIONS

"A terminated club may seek to be reinstated after its termination. When a club seeks reinstatement, it must pay the full amount of its outstanding financial obligations and a reinstatement fee. Full details on reinstatement can be found in the Rotary Code of Policies."

STATUS OF CLUBS WITH SERVICES SUSPENDED

"The RI Board may suspend the membership of any club that fails to pay its dues or other financial obligations to RI or its approved contributions to the district fund. If the reason for suspension has not been remedied within six months, the RI Board will terminate the club. As long as the club remains suspended, it has none of the rights provided to clubs under the RI Bylaws but does retain the rights granted to clubs under the RI Constitution.

RI services to a Rotary club may be suspended once the district governor certifies that the club is more than six months behind on district per capita dues. The following RI services are suspended until the governor verifies that the club has paid its district per capita levy:

- 1) Inclusion on RI mailing lists
- 2) Receipt of publications and periodicals
- 3) Secretariat services, including the recognition of clubs as sponsors or hosts of active Rotary program awards
- 4) Governor services: monthly communication, inclusion on district mailing lists, and the governor's visit

District governors must continue to provide minimum mailings to suspended clubs so that clubs are allowed to

- 1) Send suggestions to the nominating committee for governor
- 2) Vote in any authorized ballot-by-mail
- 3) Vote at the district conference and district training assembly
- 4) Submit a proposed enactment or resolution to the Council on Legislation
- 5) Agree with any proposed legislation submitted to the Council on Legislation
- 6) Agree with a challenge to the nomination of a candidate for district governor
- 7) Take any other action allowed by RI's constitutional documents"

INSURANCE AND INCORPORATION

"Clubs should seek legal advice on the need for protection against liability resulting from club projects and activities. Protection may be through incorporation of the club (or its activities) or the purchase of liability insurance coverage.

General liability and directors and officers/employment practices liability insurance for clubs in the United States and its territories and possessions is mandatory and provided through RI. Each club is assessed an amount sufficient to fund the insurance coverage and related administrative expenses.

Rotary clubs can determine whether or not to become incorporated, in light of local circumstances. When a Rotary club proposes to engage in an unusual activity that might involve liability on the part of the club, it is better to incorporate the activity than the club itself.

The RI Board does not object to incorporation, as long as the club includes within the articles of incorporation a phrase reciting the club's allegiance and submission to the existing RI Constitution and Bylaws and any subsequent amendments.

For example, the RI Board approves certain general provisions for articles of incorporation as follows:

The name of this corporation shall be "Rotary Club of (state/province, country) , Incorporated." (city)

This corporation shall be a nonprofit corporation. Its purpose shall be charitable and benevolent and to maintain the relations of a member club in Rotary International. Insofar as the provisions of the law of the State/Province of ____, under which this corporation is incorporated, shall permit, this corporation shall be subject to the jurisdiction of Rotary International.

This corporation shall have the authority to adopt such bylaws as may be consistent with the purposes enumerated herein and consistent with the law of the State/Province of ____, under which this corporation is incorporated.

The new corporation should adopt as its corporate bylaws all relevant provisions of the Standard Rotary Club Constitution and the Recommended Rotary Club Bylaws. The articles of incorporation must contain any additional statements and declarations required by the laws under which the corporation is to be incorporated, but the incorporated club must remain in all respects a member club of RI.

The General Secretary is asked to review and accept all applications for incorporation on behalf of the RI Board. If unusual circumstances require further statements of policy, the General Secretary refers the application to the Executive Committee of the Board."

What Did BERCER's Do This Week?

- *Barbara Tarpley and Jon Lifquist were the greeters for the day .
- *Larry Moxley said the invocation as Quon Louey was absent.
- *Andrea Loader was home not feeling very spunky this day so Lloyd Plant led the flag salute.
- *We all sang along with GBA.
- *There were no visiting Rotarians today.
- *Terry Schroepfer sat in for Terry Maxwell and helped Michele Brown at the Reception Table.

Commander Massey to left was our Officer of the year in 2003. Lt. Todd Bishop, seen here was with Sheriffs Zimmerman and Garza (both not pictured) were here to see Deputy Wells receive his honor. Commander Massey received a check for \$1000.00 for the Sheriff's Activities League to go with their Saturday event.

RYLA Students told us about their experiences at camp. All enjoyed themselves, met new friends, learned some valuable skills along with being very happy to have been sent by BERC.
