Mark Ramsey Wins The Coat as the Final Prize This Year!

Heather Burch Vocational Teacher of the Year!

Heather Burch (pictured with her husband) received a gift card and certificate. Prez Sandi gave up her peach roses received from the Burgers since she was on her way out of town, and then Heather won \$47.00 from the 50/50 pot! She was having a good day away from the Scheutz Learning Center. Jim Bennett, the Administrator was there to help present the award since he and his staff were the one’s who voted her as the Teacher of the Year! BERC had some trouble getting her to a meeting before year end due to Heather being away to training conferences out of town...she’s had a very productive and profitable month! She looks forward to BERC visiting again when she is at work.

Upcoming Events at Bakersfield East

Contact Michele Brown for her annual Drive for Cancer Research. She has been doing this for several years now and would covet your donations to support her walking, running, or whatever the pathway she must go with friends and loved ones to support this cause. She made us aware and reminded us of the struggles that victims endure to seek treatment s well as the esprit de core that she feels when she goes to these events.

Kelly Giblin, PP wore this shirt by accident and was like on purpose so that she fit right in as she is a supporter of Michele. Michele looks like a retro 70's tie died kinda gal!
