## Vocational Scholarships Awarded!

Anika Dobbe, Jonathan Zarate (not present)  
Interviewed by Harry Walls for her Grand Champion Chicken, Anika Dobbe extended her appreciation to our Club's support throughout her childhood and her appreciation to her mom & dad for their parenting skills. She knows her father's sometimes strict demands are only to push her to better. Love is key and it was evidenced.

Nipomo Rotary receives AmpSurf letter of appreciation of our support for wounded vets.

Harry announced that July is **Membership month**. We have one more meeting to make this happen. Let's bring a Rotary candidate.

## PROGRAM THIS WEEK

presented by Richard Norred

Apr. 5, 1976 — President Gerald Ford signed legislation opening up Elk Hills for full production. Production begins July 3,

President Gerald Ford at Elk Hills Naval Reserve during a visit to Kern County in 1975.

### George the Grammarian!

Ken Whittle generously shares Washington's "Rules of Civility". Though all were found applicable to Nipomo Rotarians,

#90 quite stood out! *"Being set at meat, scratch not, neither spit"*.

Our very own President Cathy provides a full explanation of her beautifully decorated podium. Flip Flops are key to her off-duty attire. No heels, skirts, dressy dress, just flip flops! Bet she looks really cute.

She may have mentioned sweats or something as well.

Our Rotary Momentarian, Harry Walls, preaches the ABC's of Rotary gospel. Amens and Halleluias were heard

throughout the room. A time of refreshing and renewal. We all felt nourished and left the meeting as better Rotarians.

I think I see Cathy smiling, she must have been totally moved by the inspirational message.
