Vacation Insurance is strongly recommended. This insurance pays your cancellation fees, if you cancel or interrupt your trip due to death, injury or sickness involving yourself, a traveling companion, or immediate family member. Pre-existing medical conditions can be covered under certain conditions. Your Vacation Insurance also has Trip Interruption, Trip Delay, Baggage Protection, Medical Expenses, and Emergency Evacuation provisions. Please call West University Travel for a more complete explanation of the coverage.

West University Travel act as agents for and neither control , nor operates, nor is responsible for the actions of Carnival Cruise Line and any of its Independent contractors such as airlines, ground operators or tour operators. West University Travel deny any responsibility or liability for late arrivals of your flights or for any illness, injury, damage, acts of war, terror or of GOD, loss of cruise time or any other irregularities resulting there from. Your conclusion of the transaction is your acknowledgement and agreement to this limitation.
