Reception/Auction 5:00pm with Dinner at 6:00pm

Silent Auction Commitment Form

As part of this fundraising event, we are asking each Rotary Club to please donate an item or basket that represents their club or geographic area for the silent auction. This auction will be held during the 5 PM reception just prior to dinner. Last year we raised about \$7,000 for Foundation projects. Of course, each Rotarian receives credit for his or her purchase.

We are looking for items with a minimum value of \$40. Talk it over with your Club members to come up with a valuable item. Perhaps you have a member with a special talent – painter, sculpturer, quilt maker willing to donate an original creation. Or, perhaps there is a manufacturer or store owner who is more than willing to make a donation.

Contact Shirley Wurth with any questions by phone, US Mail or Email.
