Announcing the 2011 Rotary Foundation Dinner

KC CHIEFS ARROWHEAD STADIUM – New Location!

1 Arrowhead Drive, Kansas City, MO 64129

Saturday, November 5, 2011 at Reception/Auction 5:00pm with Dinner at 6:00pm

Keynote Speaker - Ray Klinginsmith, Past Rotary International President

Dear Rotary Club Leaders,

Mark your calendars for **Saturday evening, November 5**, for a great night of fun, food and entertainment. Ray Klinginsmith, Past Rotary International President, will share past achievements and Rotary's game plan for the future. The purpose of this dinner is to raise money for The Rotary Foundation (TRF) of Rotary International. Bring your checkbook, credit card or cash for some extraordinary silent auction items along with a professional auctioneer for the live auction.

We have a new location and a new attitude to make this annual event more streamlined while still recognizing clubs and leaders. The North Club seats 770 people. Now you can bring more Rotary Club members to the *largest* gathering of District 6040 Rotarians during the Rotary year.

The Challenge...at least one, two, or more tables of 8 per club!

Your to do list is as follows:

- Mark your calendar, gather friends and Rotarians and send in the attached *Foundation Dinner Registration Form*. Check out the "Early Bird" discount if registrations are made by October 10.
- Consider an additional TRF donation by choosing the Peace Club, Paul Harris Club, Ambassador, or Service Club contribution levels.
- We need auction items! Please gather the items according to the enclosed letter requesting auction donations.

Be prepared to be "wowed" when you walk into this room! The newly renovated North Club features two spacious custom bars and a combination of dining, bar, and spectacular fireside lounge seating, state of the art built-in A/V system, 24-HD TVs, an amazing 3-screen projector system and floor to ceiling windows overlooking Founder's Plaza.

For additional information or questions, please contact:
