## About our Club

The St. Charles Rotary Club is a mixed group of 50 local business men and women, community leaders, and retirees. We embody the Rotary slogan "Service Above Self" in our daily lives and we meet every Thursday for lunch. Our club embodies service in action. For example, this club has assisted in the building of a library and school in a rural area of Guatemala; has sent emergency aid to Haiti; has financially supported local nonprofits; has contributed funds to Rotary International's goal of worldwide eradication of Polio. In addition, the club has provided more than \$64,000 in local scholarships over the past 6 years. Rotary members are business and professional leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world.
