A golf outing for brain injury victims, veterans

BEREA, Ohio (August 6, 2010) - Turn your love of golf into a benefit for others. HansonHouse Traumatic Brain Injury Clubhouse will host its eighth annual charity golf outing and barbecue on Sunday, August 22, 2010, at Emerald Woods Golf Course, in Columbia Station. The event is the major fundraiser for HansonHouse, a non-profit organization developed by and for people with traumatic brain injuries.

The shotgun start will begin at 9:00 a.m. An optional chapel service will be held at 8:00 a.m. The \$90 cost per golfer includes 18 holes of golf, cart, coffee and donuts, lunch and barbecue. A limited number of disabled golfer scholarships will be available. A Chinese auction and a silent auction will be held, featuring gift baskets, books, golf clubs, hotel stays, golfing certificates and other items. Those who don't golf can participate in the auctions and enjoy the barbecue for \$40.

Sponsorships are offered for \$100 or more for a hole sponsorship or \$1,000 or more for a major sponsorship. Southwest General Health Center, The Boggs and Ferut Families, United Methodist Church of Berea, Berea Kiwanis Club and Kiwanis Division #24 all have committed to major sponsorships this year.

Each year more than 2 million people in U.S. have a traumatic brain injury, caused by a sudden assault to the head. HansonHouse is a supportive network of members and volunteers who participate in social, recreational and work-oriented programs for TBI victims with the purpose of using and developing practical and functional living skills. Hanson House provides free, non-medical program services to survivors of Traumatic Brain Injury and their loved ones. HansonHouse includes people who have brain damage caused by strokes, anoxia, surgery, violence and other conditions.

HansonHouse, the first program in Ohio based on the clubhouse model of community re-entry for people with traumatic brain injury, is extending its reach to serve wounded veterans.
