Inner Wheel--Part of the Family of Rotary

by Mosley-Matchett, J.D.

There was a time--not so long ago--that only men could be Rotarians. So, the wives of those Rotarians launched their own auxiliary organization. Here's a bit of history about that part of the Family of Rotary.

Inner Wheel began on the 10 January 1924 when Mrs Margarette Golding presided over a club formed of Rotarian wives. The roots from which International Inner Wheel has grown were established in 1934 when the Association of Inner Wheel Clubs in Great Britain & Ireland was formed. In 1930's clubs were formed in Australia, New Zealand and Norway.

It was realised that unity is strength and members had the wisdom and foresight to form Clubs, later establishing Districts and then Associations and National Councils.

In 1967 International Inner Wheel was formed which gave an opportunity for qualified members in any country to serve as Officers and to strengthen the unity of the organisation throughout the world.

Guaruma Student Profile: Raquel Perez

by Steward, Patricia

My name is Raquel Perez and I live in El Pital. I'm thirteen years old and I have one sister and a baby brother.

El Pital is a community along the Río Cangrejal. It is a very important place because of the forests and animals that live in the same area. The river is beautiful and we use the water for many things. When I'm not in school I love to swim in the river.

I also love going to my classes in Guaruma. I'm so glad that I can go to Guaruma because I learn many things there. My favorite subjects are English and Photography. I hope that I will be able to go to classes in Guaruma for many more years.

Pines Birthday Celebration Was a Success

by Remizowski, Kim

Every year Rotary Sunrise supports the seniors at the Pines who have birthdays in the month of November. This year the event was organized by Community Service Rotarian Cathy Williams. The group met around noon on Saturday, November 20th and a number of Rotarians and some Rotaractors came out to show their support.

Food was provided by Welly's, which the seniors really enjoyed. PP Chris Bowring played a number of tunes on the piano, which the crowd really adored. This was followed by the volunteers plating and delivering the food to the elders. Once lunch was finished, a birthday cake with lots of candles was brought into the middle of the room by Cathy's daughter Zara.

With Chris on piano, everyone sang "Happy Birthday" to four seniors whose birthdays fell in the month of November. They each received a gift of perfume and body lotion from Kirk Perfumeries and everyone got a slice of double-chocolate cake. Cathy took the opportunity to deliver some cake to some of the old folks in their rooms who didn't make it to the lunch. She spent a few minutes with each of them and indicated how such wonderful spirits they were. They had such amazing and heart touching stories.

All told, it was a success and an important day for the seniors at the Pines, the Community Service Committee, and for Rotary Sunrise.

Sunrise Provides Aid in Kenya Through Kiva

by Steward, Patricia

Consolata Juma is 40 years old. She is from the Siaya District of Kenya and is married to Jacob Juma. They have four children who are all above 18 years old and in college.

Consolata has a business selling second hand towels and curtains. She has been doing this business for the past five years and has created a huge clientele. She wants to buy two bales of curtains to add to her stock and has applied for a loan of Kshs 70,000 from KADET LTD. Her monthly income is Kshs 15,000, which is her profit and is basically being used to pay college fees for her children. Her desire is to be able to open up a boutique in the future.

Rotary Sunrise has donated \$100 to help with her total loan request of \$875.00. We have also donated \$15 towards Kiva.org.

Cork Sniffers Delight!

by Mathews, Geoff

There is a remarkable write-up in the December issue of Cayman's local Guide - *What's Hot* - about the recently refurbished Osetra Bay restaurant at Morgans Harbour. They mention the innovative and famous Chef Watters and his superb French cuisine and the fact that it is probably the only restaurant in Cayman that serves candy floss sometimes called cotton candy as a sugar buzz. What they fail to mention and this is a serious oversight, is that wine cork sniffers are specially catered for with a wine cork holder on every table.

Everybody knows that Rotary SUNRISE members are very expert and experienced wine cork sniffers and how we have managed without wine cork sniffing holders, for so long, is beyond me. I rarely recommend restaurants in Cayman because we have so many good ones, but Osetra Bay really is exceptional.

Food, service and ambience are first class and not over expensive - you

can even hear conversation at your table - they seem to have defeated the common problem in Cayman restaurants of the background noise.

SUNRISE Rotarian cork sniffers will rejoice - worth the trip through West Bay - go forth and enjoy. Happy sniff-in.
