... and the good news is ...

We are almost at the half way mark to our fundraising goal of US\$30,000 for the purchase a new vehicle (and related costs) for the 26 children at Home & Life Orphanage in Thai Mueang, Phang Nga province, Thailand. To date, we have received the following donations:

Central Club President Fiona hands over a \$2000 cheque to Sunrise Rotarian Pat.

- Rotary Club of Grand Cayman Sunrise -- KYD\$4,500
- Caledonian Bank (thank you Steven Sokohl) -- KYD\$3,000
- Rotary Club of Grand Cayman Central -- KYD\$2,000
- Various personal donations -- KYD\$1,200

The new vehicle will allow the children at Home & Life to travel to school in safer conditions than what is available to them now, and enable all of the children to participate in after school and weekend outings, as well as facilitate the delivery of baked goods from their on-site bakery to the tourist market in Bang Niang which generates necessary income for the running of the orphanage.

For more information, please go to www.homelifethailand.com or contact Pat Steward by sending an e-mail to Thailand@RotarySunrise.ky if you have any fundraising ideas ... or funds to donate.

The 4-Way Test

Of the things we think, say, or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

Anthony Smellie has been a Judge of the Grand Court of the Cayman Islands since February 1993. In June 1998 he was appointed Chief Justice of the Cayman Islands.

Member Bio:
Michelle Bouchard

When I was a young girl, growing up in Northern Quebec, I remember my grandfather was President of his Rotary club in Amos. Rotary has been a subliminal part of my life for as long as I can remember.

Born in a little mining town 500 miles North of Montreal named Val d'or (the valley of gold) - my first language is French. I studied Business - Marketing and Entrepreneurship - at McGill in Montreal, Interior Design at Ryerson in Toronto and I am now attending the Cayman Islands Law School. I first moved to Cayman in 1996 and designed banks, offices, homes and the new Cayman Islands Government Administration building while working for OBM Architects. I have redesigned more head offices than I can remember, resorts and casinos all over the world and now I help design people's homes in Cayman at A.L.Thompson's.

When I attended the R.I. convention in Montreal not long ago, it really brought home the extent of Rotary's presence around the globe. I am impressed by the aims and goals of Rotary generally and Sunrise specifically. That the Bill and Melinda Gates foundation count Rotary's Polio eradication project as number one on their list or charitable endeavors is a great endorsement.
