Rotary Peace Centers A decade of promoting peace...

--A World Understanding Month feature

(Since 2002, the Rotary Peace Centers program has been preparing more than 600 future leaders to pursue peace around the world. The February edition of *The Rotarian* includes a profile of ten peace fellows. Below is an excerpt from that article by Kate Nolan.)

One year after the terrorist attacks of 9/11, the first class of Rotary Peace Fellows began their studies. Since then, more than 590 fellows have gone on to build peace in their communities and nations, as well as across international lines. They include graduates of a two-year master's degree program and a three-month professional certificate program at Rotary's partner universities.

Today, these alumni are settling border conflicts in West Africa, analyzing development aid at the World Bank, briefing U.S. generals on peace-building in Afghanistan, crafting legislation to protect exploited children in Brazil, and mediating neighborhood disputes in New York City, among many other career paths devoted to peace.

On the 10th anniversary of The Rotary Foundation's Rotary Centers for International Studies in peace and conflict resolution, we bring you the stories of 10 fellows who are creating change locally and globally.

Author and film producer Alex Kotlowitz also describes the importance of the grassroots approach to peace and how it is working on the inner-city streets of Chicago, where former gang members are mediating conflicts and preventing bloodshed. And Anne-Marie Slaughter, an Atlantic contributor and Princeton University professor, writes about how technology has transformed international relations, granting individuals and small groups unprecedented power to connect to one another and influence global events.

Remember: The fourth element in the Object of Rotary is the advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The 4-Way Test

Of the things we think, say, or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

The Rotary Grace

O God and giver of all good,

We thank thee for our daily food.

May Rotary friends and Rotary ways,

Help us to serve thee all our days.

Sunrise Celebrates Its 10th Anniversary April 27th, 7 p.m. at Agua

A decade of service, fellowship and fun.

In April this year the SUNRISE Rotary club will be celebrating our 10th anniversary.

We have in mind an elegant, gala evening, featuring live music and dancing.

We will review our achievements and how we plan to make the next ten years better than ever.

Please reserve Friday 27th April for a 7.00 p.m. for 7.30 start for cocktails, nibbles and finger food, dinner and awards (a gift for everyone!) at the Aqua restaurant in George Town.

Dinner price is planned at CI\$60 inclusive (including grats), we are working hard on a series of raffles to ensure that we break even. A welcome glass of prosecco champagne and one glass of wine per person will be included. There will also be a cash bar. Dress is black tie for gentlemen and long dresses for the ladies.

Please let me know that you (and guests) will be coming so that we can make final arrangements.

Seeking New and Interesting Venues for Rotary Sunrise Fellowship Events

Submitted by Rotarian Geoff Mathews

The favourite venues for Fellowship events are private homes, or their gardens. We always get maximum attendances and the big advantage over commercial locations is that we can control our drinks and food bill and make it much more affordable for all. Usually it is a lot more comfortable. It does increase our work load - but not by much.

We use plastic drink containers, plates and cutlery so no breakages in or near the pool area. We always have a clean-up team so we leave everything in good order.

Some gardens will easily accommodate 100 or so members, other locations much less, but we can tailor to suit the occasion. We can bring our own tables and chairs if necessary.

If you have a suitable venue or you know someone we might ask - please contact me.

Cayman Bed Race Was an Excellent "Fun"-Raising Event

Although the Sunrise Sea Dream Team didn't capture a trophy, it certainly captured the digital eye of the Caymanian Compass! Appearing on page 9 of Friday's newspaper was a fabulous photo of runners Alan Brady, Kim Remizowski, Frank Balderamos, and Anthony Lawson propelling our terrified mermaid Pat Steward who stepped in as a last minute substitute for her sister Barbara Anley. Barbara and IPP Michael both had to skip the fun on February 18th due to a bad bug that was sickening people across the island. Fortunately both are feeling much better now.

Many thanks to the entire Sunrise Sea Dream Team. Next year's design is already being conceived (complete with high-tech bicycle wheels and a light-weight PVC frame with a suspended mattress)—but this time our club's high-tech gurus (Garth and Chris) will be centrally involved in the R&D effort to construct an unbeatable bed-mobile.

Additional thanks to:
Rotarian Kids Tyler and Nathan Lawson with Stepmon
Rotarian Joanne Lawson;
Prospective Rotarians Dr John Lee and Gina McBryan with Gina's son Duncan;
Rotarians PP Hendrik-Jan van Genderen, Enoke Richens and Omar Chambers;
Rotarian Victor for Digicel's \$500 donation and post-race reception, including a Smart Phone raffle;
Secretary Frank for the team's pre-race libations at Abacus!

President Andrea adds, "Many thanks to VP JD for inspiring and motivating the SunriseTeam - you embraced the Bed Race idea from the very beginning and you truly are a great example for all of us. Well done Sunrise Sea Dream Team, we didn't win but we're champions nonetheless and now that we've got the hang of it, next year we'll be truly awesome! Many thanks too to Pavlov Rameau, our PolioPlus Chair, for organizing the raffle prizes and volunteers - we had some fabulous prizes (see sidebar for list of prizes and Rotarians who secured them) all going for \$5 a ticket. Pavlov added some island flavour with trumpeting his conch shell at the start of every race - truly entertaining - and Rotarian Omar Chambers sweetened the day with delicious cupcakes he had donated by PJ's."
