## Getting to Know You - Rotarian Martha

*Submitted by Rotarian Martha Connolly*

Happy to be celebrating my 4th year as a Sunrise Rotarian, I am the second daughter of Caymanian parents Kevan & Donna Connolly of East End. Born in Brooklyn New York, my mother said the defining moment she knew she had to return to raise her girls in Cayman was when a murder took place a few doors down from where we lived and a man got robbed of his gold chain while in a car at a stop light. The neighborhood was getting rough and so in the summer of 1983, we moved back home to Cayman. My childhood days were spent playing with my cousins at my Aunt's house on a hill in Gun Bay. The adventures we got in to are too many to name, but I'm happy to have those memories of old Cayman to reflect on.

After high school I got a degree in graphic design from Savannah College of Art & Design and worked in the design industry for 10 years. I then moved in to marketing, communications and event planning and did this for the past 5 years, but I recently took a leap of faith to begin freelancing fulltime and start my own design company.

I always had a passion for community service and giving back to the environment in which I live. In college I participated in various tree planting and beach cleanups and being the daughter of the former Community Development Officer for East End, I was often 'mommy's little helper' for various events held in the district.

I became a charter member of RCGC in 2006 and served as Club Service & Community Service Director before becoming a Rotarian. I am proud to be a Rotarian and enjoy doing my part to give back for the betterment of my country.

One of my favorite memories as a Rotarian was our first time feeding the participants at Art@Governor's when everything took place on the Governor's lawn and I also had fun my first year helping to hand out prizes at the keep active area at the annual Heart Health Fair.
