October is

Vocational, Community & International Service Month

What the Prez Sez...

Future Focus

Submitted by President J.D.

October is an insanely busy month for Rotary Sunrise. It's nomination month-- both at the club and the District level. It's election month for the club. And Rotary International has declared October to be "Vocational, Community, and International Service" month.

Because we will wait for February to get Director Pavlov's team to promote their activities during "World Understanding and Public Relations" month, the October attention will be focused on Director Finley and the Community Service team.

We've all seen what a great job Community Service has done so far this year, with almost every meeting involving a photo opportunity with the BIG CHEQUE being presented to one public service organization or another. The resulting publicity from each of those presentations has also elevated Sunrise above the unfortunate bad press we experienced earlier this year.

The nominations for our 2014-2015 Sunrise Board promises to be interesting, with PE Kim promising a more compact format for its structure. Regardless, the roster of proposed candidates will soon be presented, with PP Tony running the club's nominations and elections this month.

mentioned, the Sunrise Board has voted to nominate our own PP Rosie Twohey for the 2016-2017 District Governor post. This isn't the first year we've nominated her, but perhaps this will be her year.

So, stay tuned! October will undoubtedly be a month to remember.

submission courtesy of press release exert dated May 23, 2013 from Cayman Net News <http://caymannetnews.com/2013/05/23/new-director-for-prison-service/>

A senior manager with over 30 years of experience in corrections will take up the role of the Director at Her Majesty's Cayman Islands Prison Service (HMCIPS) next month, the Portfolio of Internal and external Affairs announced on Friday, 17 May.

The successful candidate, Neil Lavis, is currently the serving Governor of HMP

Swansea in the UK.

During a three three-year tenure at Swansea, Mr Lavis has been credited with improving the overall prison performance from borderline level 2 to a level 4 high performing establishment under the rating system used by Her Majesty's Inspectorate of Prisons (HMIP) and improving performance in mandatory drug testing, sickness levels, time out of cell and purposeful activity as required by the HMIP.

He also led and restructured the Senior Management Team during a period of economic and social instability, maintained a safe, decent prison and put in place a strategy to improve resettlement provision and children and families pathways.

HMP Swansea currently houses approximately 435 prisoners with a staff of approximately 400 and a £9.5 million budget.

with the meetings being held in the upstairs dining area. Once final negotiations have been conducted by Treasurer John and Director Chris to obtain the written contract with GTYC then they will report back to the club.

Those 48 members represent more than a majority of the club's membership, so no count of opposing members was sought.

Director Chris has contacted the manager at Grand Old House to request a one-month extension of our suspended contractual arrangement and they have agreed. As a result, until a firm arrangement has been formalized with GTYC we will continue to hold our weekly meetings at this venue for the remainder of October.

DARKNESS to LIGHT Training

Submitted in part by Rotarian Jocelyn Moss, Community Services Committee and <http://www.D2L.org>

The ultimate mission of D2L, to end childhood sexual abuse, can only be accomplished by sharing the solution of prevention, awareness and education with more and more people. This, in turn, builds momentum and over time, changes the way our nation and culture cares for, protects and nurtures our children. Being an active participant in the mission to end childhood sexual abuse is one of the most rewarding things we will ever do – and we cannot do it without you.

Rotary Sunrise's Community Services Committee has arranged a training session for this Sunday, October 6. If you are interested please note the details and cost to attend:

Location: Dart Training Room (Dart/Ogier/CITCO) - Camana Bay

Time: 9.00am -12.00 pm

Attendees: BBBS -6, LIFE-12, Rotary - 7+

Cost: \$25

Important: Please arrive 15 minutes prior to the session start, late comers will not be accepted and participants must attend the full training session in order to receive the D2L certification.

If Rotarians cannot attend they can nominate a member of the public in their place and you split the cost. Contact Jocelyn to secure your seat in the class.

Recycling Initiative

Submitted by Director Gina McBryan

So we are 1 month away from our BIG public awareness campaign that will be launched with all the other service clubs on island. **Saturday, November 2** will see one member from each of the services clubs teaming up to battle Mount Trashmore with awareness about how and where residents can recycle on island. Did you know there is recycling on island? Are you doing your part to help reduce Mount Trashmore?

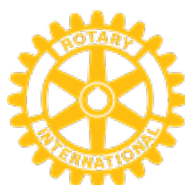

Well, if you don't know anything about recycling get ready to learn. Beginning October 2, Director Gina will help to educate our club with recycling information and show you how easy it is to recycle. In addition, we will set our own 1 month recycling challenge to see how well our club members can recycle as we approach our public awareness day.

October is Elections Month

Every year in October the Rotary Club of Grand Cayman Sunrise conducts the nominations and elections process for the next Rotary year. IPP Tony will be conducting the elections this year with his elections committee to finalize the

board members for the **2014 - 2015 Rotary year**. If you are a new member to the club the process will be explained at each regular meeting within the month of October until the final elections meeting. Information will also be posted within the weekly Rotary Sunrise to keep members updated and informed each week.
