## International Service - KIVA Re-Focused

submitted in part by Rotarian Pat Steward and Director Gina McBryan

At last week's meeting you would have heard Rotarian Pat address the membership and inform the club that the International Services Committee has changed direction with the funds provided to KIVA. The reallocation of funds was a decision made by the committee to fund loans for educational purposes instead of small business entrepreneurs.

Among the most recent loan recipients are Mad from Indonesia and Rubén and Julián both from Paraguay.

**Mad** - I came from an unpretentious family. I am the oldest child in my family. My two younger siblings still need money to fund their school and I don't want to stop studying either. But, given my family condition, it's hard for me to continue my studies in senior high school. My father works as a share-cropper with no stable income.

**Rubén** is 19 years old and has two siblings. He is the only one who is a student. One of his dreams is to complete his studies and pursue his profession as he is the only one working on a university degree. His mother is a hair dresser and she has been his greatest inspiration. He wants to give her this satisfaction in return for all of the effort she is

making to enable him to continue his studies.

**Julián** is a second year Business Administration student from the city of Carapeguá. He's a young man with many hopes and a strong drive to get ahead. He's currently working as a street vendor and his goal is to graduate with a degree in Business Administration and then work in his profession setting up and managing his own firm.

## World Polio Day 24/10

*Submitted in part with Rotarian Chris Evans, District 7020 Cayman Chair for Foundation & PolioPlus*

Every year on 24 October, people around the world shine a spotlight on the importance of global eradication. Polio, a highly infectious viral disease that can cause permanent paralysis in a matter of hours, has been eradicated around the world except for three countries where it is endemic: Pakistan, Nigeria and Afghanistan. After the number of cases spiked sharply last year, Pakistan stepped up its eradication efforts. Despite the risks, the global polio eradication effort continues.

Look for this year's public awareness campaign supported by Rotary District 7020 in support of World Polio Day.

## NCVO Fundraising - Volunteers Needed!

*Submitted by Rotarian Martha Connolly, Community Service Committee*

The NCVO is an independent, non-profit, charitable organisation dedicated to the care, education and well-being of children and families in need of support in the Cayman Islands. The NCVO helps hundreds of children & families and operates various programmes.

It's that time again to help the NCVO with their fundraising efforts so come one come all...volunteers big & small!

Sunrise Rotarians, we have been asked to collect funds for a few hours this **Saturday, October 19th** and then again on **Saturday, October 26th** at the Priced Right Airport location.

Every little bit counts so let's do what we can to help this worthy organization. A sign up sheet (with times) will be available at this week's meeting but if you have any questions please let me know.

## What the Prez Sez... Few, but MIGHTY!

*Submitted by President J.D.*

On Saturday, Victor and I attended the 6th annual awards gala of the Cayman Islands Society for Professional Accountants (CISPA). It was a \$175-per-plate event at the Ritz-Carlton. Everything was glittery and precise. The Governor, Premiere, and various Ministers were in attendance.

More than once, it was mentioned that CISPA has approximately 1000 members, making it the largest professional association in the country. They have 70 members volunteering to tutor grade school children with their numeracy skills. And as a highlight during the evening, the president of CISPA presented the Minister of Education with a \$30,000 cheque to assist with the development of numeracy skills in the public schools.

Those numbers are certainly impressive and laudable. But in comparison, one

Those numbers are certainly impressive and laudable. But in comparison, one must admit that the members of our single Rotary club have a significantly greater impact on the local and global communities through our various philanthropic efforts.

Consider the ratios: CISPA has more than 10 times the number of members that Rotary Sunrise lists. And yet, per capita, our Sunrise club generates 10 times as much money for the education of both local and international students in our effort to improve literacy--not to mention our youth, community, and international service efforts. And although we don't fully staff our reading programs with Sunrisers, our much smaller club has organized enough volunteers to rival the numbers that CISPA has been able to generate.

I am so proud of my Rotary Sunrise family. We are truly an assembly of unsung heroes. Our hearts are compassionate, our hands are willing, and our wallets are open to support the many excellent causes that are made known to us.

And that became so apparent to me at the CISPA gala. Because it was clear that although Sunrise is one-tenth the size, our relative contribution is ever so much greater.

Thank you, Sunrise Rotarians. You are truly making an incomparable difference in the world!

## 2nd Annual Butterfly Storybook Contest

Submitted in part by PP Andrea, Literacy Committee

Announcing our 2nd Annual District Contest.

Rotary Sunrise is invited to participate in this annual contest again this year. Last year we participated and it was a hugely successful and satisfying project. PP Hendrik led the project last year and has kindly offered to do so again this year.

Sponsored by the  
Rotary E-Club of the Caribbean, 7020

The Butterfly Storybook Project is a competition for young emerging writers in the Caribbean. Offering the young people in your community an opportunity to showcase their talents for story writing each participant will receive a certificate and all entries received by the E-Club will be acknowledged. For more details contact PP Hendrik.

To read all the winning stories from last year's contest click on this link

### The 4-Way Test

Of the things we think, say, or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## District 7020 Survey - "Tell Us 7020!"

If you have not taken a few minutes to view the soundbite from your District Governor Jeremy Hurst and filled out the survey please take the time now. (click on the photo for the soundbite).

The "TELL US 7020" survey runs until **Saturday, October 26th**. The survey results allow District to analyze data in order to make more informed decisions. Simply click the link to start the survey <http://www.websurveymaster.com/s/TELLUS7020>

Special Thank You to **Rotarian David Reid** and **Rotarian Mark Macfee** for providing printed copies of the weekly newsletter for members and guests to read at the tables.

Please feel free to take a copy with you after the meeting.

## Club Elections 2014-2015

*Submitted by IPP Tony Catalanotto, Elections Officer*

For those of you that were not in attendance at last Wednesday's meeting, this information serves to advise that I will be acting as the club's Elections Officer for our upcoming elections. ## Ski Slopes Calling?

*Submitted by Rotarian Jonathan Adam*

I am researching options for a trip, with Rotarian Barbara O.

We think that Park City in Utah is a very good option. Easy to get to, not as high as some of the other popular resorts (no nose bleeds therefore), three linked resorts (Park City, Canyons and Deer Valley). A huge range of slopes for all abilities, good snow record, but things for non-skiers to do as well - it's a proper cowboy town, with lots of restaurants, museum, cinema, spas, shops - and Salt lake City (home of the Mormons) is only half an hour away for city sights.

The whole resort has shuttle buses, so transport isn't a problem.

As for accommodation there are plenty of options, from single houses, condos, hotel rooms, with many price levels. Houses are pretty expensive, condos and hotels less so.

We think that a good week would be the 22nd Feb. This is when schools and universities are still in session and so there should be a dearth of young people. Remember, this is kids-free. It does not seem to clash with other things going on here either.

We'd welcome some feedback from those who are interested in going.

## Recycling Initiative

*Submitted by Director Gina McBryan*

We are only 2+ weeks away from our **BIG RECYCLING AWARENESS** day at the grocery stores on **Saturday, November 2nd**. I trust everyone has made it to the Facebook page to learn about what you can be recycling and where you can take those recyclables so they stay out of the trash? Learn all you can and make it a habit in your home to help the environment and do your part.

Simply click on the link and **LIKE** the facebook page. You can even suggest the page to your friends for increased exposure. <https://www.facebook.com/joininky>

At Wednesday's meeting, I will be talking more about the volunteer sign-up. We need to fill these time slots with volunteers for **each 2 hour block** at each of the grocery stores participating on the day. We are looking to place **1 Rotarian with 1 Kiwanian with 1 Lion** for each block from 7am to 1pm. Sign up can be done directly by clicking on this link (it will save automatically) [www.kiwanis.ky/joinin](http://www.kiwanis.ky/joinin).

For each volunteer you will need to indicate a t-shirt size (cost of \$10). These t-shirts will be bright green and visible to the public as they exit the stores to learn more about recycling. Final sign-up is required by **Wednesday, October 23** as the t-shirt order will need to be submitted so we can receive the shirts in time. I will be collecting the \$10 from each Rotarian who signs up so if you know you plan to participate on November 2 please bring your \$10 with you this Wednesday.

## Rotary Sunrise - In the News

*Submitted by Director Gina McBryan*

Our Literacy Committee continues to do great work in the community. As mentioned by PP Andrea at last week's meeting, the Literacy Committee donated **\$700** to the CI Public Library System to provide **3 Kindle Fires** and **four \$25 gift certificates** from Books & Books in support of the Summer Reading Program. The winners who received the prizes were quite thrilled to say the least.

Press releases about the reading program were posted with Cayman Compass and Cayman iNews and Rotary Sunrise were mentioned in both. Please click the link and have a read if you haven't done so already.
