On behalf of Big Brothers Big Sisters of Ajax-Pickering, our Board of Directors, staff and the children in our programs, thank you very much for your support as a sponsor of the 2012 Golf for Kids' Sake Tournament. With the support of Rotary Club of Pickering we have successfully raised \$47,000 for children and youth programming in our community.

The monies raised through Golf for Kids' Sake provide a range of quality mentoring programs to over 300 children and youth in the Ajax-Pickering community.

As you know, being matched with a mentor who spends quality time with a child gives them a sense of value and worth. Big Brothers Big Sisters' mentoring programs have proven to be instrumental in reducing truancy, bullying, early school departure, delinquency and substance abuse.

Thanks to the ongoing support of Rotary Club of Pickering, even more children in our community will benefit from the programs provided by Big Brothers Big Sisters of Ajax-Pickering.

Regards,

Kim Gervais
Sponsorship Coordinator
