**FINANCIAL COMMITMENT TO THE SUSSEX ROTARY AMPHITHEATRE:**

Rotary is the world's first and oldest service club. Each of Rotary's 33,000 clubs around the world engages in projects that improve health, literacy and education among the globe's disadvantaged peoples.

Club President Robert Tremblett is pleased to announce the Sussex Rotary Club has selected a proposal submitted by the Town of Sussex to construct a community amphitheatre to be located in Burton Park in The Town of Sussex.

Club President Tremblett, "Sussex Rotary is proud to announce an \$80,000 financial commitment to the future construction of the Sussex Rotary Amphitheatre in Burton Park. We look forward to this joint venture with the Town of Sussex and the construction of the Sussex Rotary Amphitheater in Burton Park. What a wonderful addition to our community for everyone to enjoy our long standing cultural and heritage in a new facility constructed to champion and showcase our communities' talent and spirit. The Rotary Club of Sussex believes our contribution to a successful project can make a difference, long term, within our community and we are excited to participate."

"Everyone in the Sussex Community will benefit with the various recreational, cultural and community heritage experiences at this new amphitheater and we hope to introduce this facility in 2015. The new Sussex Rotary Amphitheatre will be a modern, multi functional, multi-use, outdoor, open-air theatre structure that will have a tremendous impact on the lives of residents and the quality of life throughout all of Kings County."

There are approximately 1.2 million Rotarian members and more than 33,000 Rotary clubs in 166 countries, in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development. The Rotary motto is Service Above Self.

The Rotary Club of Sussex meets weekly at 12:00 noon on Mondays at the All Seasons Inn and Restaurant in Sussex. For more information visit [www.sussexrotary.org](http://www.sussexrotary.org).
