

Rotary Club of the Village of Gagetown

The Rotary Club of the Village of Gagetown held its 32nd annual Variety show on Feb 22nd at the Gagetown Elementary Show. This fundraiser raises money for bursaries for students of the local area attending post-secondary schools. To date they have awarded 37 bursaries and after this event one more was added to the list. The evening included a variety of local musicians and singing groups.

As part of the local tradition of the show, our MLA and also Rotarian Ross Wetmore auctioned off a series of delightful cakes made by local individuals.

The President Dr Jerry Misener, talked a few minutes about the various accomplishments of the 15 member Rotary club and spoke about their new initiative the "Imagination Library". He then handed over the program direction to Bruce Thomson the MC for the evening

As part of the program the Gagetown elementary school choir performed. The teachers got in the act as well with a fun skit.

The highlight of the evening was the Rotary skit. Representing the Olympic Gold hockey team, “Don Cherry” along with the coach introduced the team.

It was very obvious that the “enforcer” meant business when he broke his hockey stick across his knee and threw the Swedish sweater on the floor

At the end of the evening it was announced that a total of \$2295 was collected that evening all of which would be used for our 2014 bursary

A wonderful evening was had by all
