Message from the Chair

To All Fellowship Leaders,
If you are like me, you are busily preparing for the convention in New Orleans. We’re looking forward to a great time in a city known for its good times and great food.

While in New Orleans, the Fellowships will be ably represented by many of you. In order to best represent all Fellowships, I ask that you do the following:

1) Volunteer to work in the General fellowships booth at least one shift during the convention. The booth is open from 10:00-18:00 Saturday, and 08:00-18:00 Sunday through Tuesday, and 08:00-16:00 Wednesday. If you or other members of your group can volunteer, please stop by the All Fellowships booth 989/991 to sign up for a time period or contact me at 317/730-3722 (cell) or e-mail: steve.leonard@comcast.net.

2) Attend the Annual General Meeting of all Fellowships on Tuesday, May 24 at 13:30 in the convention center, room 384. If you cannot attend personally, please send someone from your fellowship who can present your concerns and participate in discussions.

3) Bring materials that can be distributed from the General Fellowships booth. This is particularly important if your fellowship does not have a booth of its own. We will be happy to share your materials with those who stop by for a visit.

I hope to see many of you at the convention. Please stop by the General Fellowships booth and attend the AGM to participate in making our “best kept secret in Rotary” more effective!

Yours in Rotary Service,
Steve
International Fellowship of Rotarians of Amateur Radio

http://www.ifroar.org

Furthers fellowship among Rotarians and goodwill among people of the world via amateur radio.

Chair
Pertti Ilmari Kause - Spain. Residence: 34-607-978669; E-mail: pres@ifroar.org

Rotarians of Amateur Radio is one of the oldest fellowships of Rotary International. It was established in 1966 by Byron Sharpe W9BE, a Rotarian from Illinois, USA. In 1989 one of our ROAR members, Hugh Archer W8JA, served as president of Rotary International. ROAR members are perhaps the most active fellowship in communicating with each other regularly.

Purpose: ROAR provides a forum for the exchange of views among members who share an interest in amateur radio, either as licensed radio amateurs or as shortwave listeners. We wish to promote international understanding and fellowship.

ROAR will have Booth 1184 in the House of Friendship. We will hold our Annual General Meeting in room 383 in Morial Convention Center. The meeting convenes on Monday, May 23rd at 11:30 am. I hope to see you there.

Antique, Classic and Historic Automobiles Fellowship of Rotarians

http://www.achafr.eu

Furthers fellowship among Rotarians through a common interest in ownership, restoration, preservation, or enjoyment of antique, classic, and historic automobiles.

Chair
Colin Weeks - England. Residence: 44-1483-721760; E-mail: colinweeks@hotmail.co.uk

With New Orleans rapidly advancing the ACHAFR are organizing Tours on both sides of “the pond”. In North America Joanne Pistorius, the President of ACHAFR-NA is not only organizing Ride along Tours from both the Atlantic and Pacific Oceans to the Convention Centre in New Orleans, but also a Cajun cook out for all ACHAFR Members as well as prospective ones as well. These events are certainly MUSTS for all automobile enthusiasts.

Not to be outdone the RRAF GB & I are organising a three day Tour of North West England. Based in Penrith in Cumbria the daily visits will take in The Lake District; Yorkshire Dales and Border raid to Scotland. The latter coming with a “Whisky Noseing”. For entrants from mainland Europe there is also a three day pre tour playing golf and exploring York.

Ross Calgher the ACHAFR’s representative in New Zealand will also be making a return visit to the UK where he will be making a Guest Appearance at the Brands Hatch May
Spring Bank Holiday Meeting racing a 1965 Mercury Comet Cyclone. Elsewhere the various Chapters have been very busy with ARACI Members completing a run from Shanghai to Peking to Milan in one of four Alfa Romeo Giulias. All told they covered 2500 kilometers in 35 days travelling through the wilds of China, Mongolai, Russia, Ukraine, Moldovia, Roumania, Bulgaria, Serbia and Croatia before reaching Italy!

Yves Lozach has finally set up a French Chapter – ARAFR and Bruno Buxbaum is well on his way to starting an Austrian Chapter. In April RRAF GB&I had an exhibition in Dublin and have at last managed to obtain at least two Irish Rotarians. As mentioned above we will be in New Orleans why not come along to our stand and find out what we are doing in your area?

President – ACHAFR

The Fellowships Committee have great pleasure in introducing our newest Fellowship

Rotarians' International Fellowship of Authors and Writers

RI Fellowship of Authors & Writers was sanctioned by the BoD in January, 2011, making it the newest Fellowship worldwide. Whilst attending the District Assembly in 2010, Chair Marilyn discovered that there was no Fellowship for authors and writers. With the invaluable help of Vice-Chair Barbara, she pursued her passion at the 2010 Montreal Convention and subsequently an application was submitted to RI in November, 2010. In addition to the Chair and Vice-Chair, both from Canada, Secretary Madu is from India; Treasurer Ayo is from Nigeria.

We will be promoting RI’s newest Fellowship at the 2011 Convention seeking to build membership and in particular, our need of a webmaster on the executive. The Fellowship goals include sharing writing of all genres electronically and in the future we hope to include the promotion of eBooks to support the Foundation. Our inaugural meeting will be on May 23, 1.30-3.30, Room 383 at the Convention Centre.

Our fun and fantastic social will be May 25, 7:30 pm @Remoulade’s (309 Bourbon Street) – everyone is welcome!

For further information or membership applications go to www.Authors&WritersRIF.org

International Caravanning Fellowship of Rotarians

As from January 2011, Don Howard will be taking over as President –
e-mail don@gonecaravanning.co.uk

This year brings new Officers to lead our Fellowship; as our president we have Donald Howard, P.H.F. a member of the Rotary Club of Catford and as his vice, by Peter Skerratt P.H.F. from the Rotary Club of South Woodham Ferrers both of these have already served a number of years as Officers within the Fellowship and many years working at their own Clubs. It is not quite a ‘new broom’ but we look forward to the challenges of making the International Caravanning Fellowship of Rotarians even more popular among Rotarians who own caravans. In the UK we have a membership that exceeds 1000, in New Zealand there are some 250 members but in the rest of the world however in the rest of the world hardly any. We wish to promote ourselves more Internationally and to this end a Tour of South Africa has been made during March when 14 UK based members met up with 1 from Canada, 1 from New Zealand and our host member from Cape Town. The 17 travellers hired motorhomes and spent almost 4 weeks touring the Garden Route and visiting a number of Rotary Clubs enroute. The fellowship and fun that we received was heart-warming and already some are taking back the projects that were discussed at the local meetings to their own Clubs in the hope the support can be made.

Our spectacular 4-course plated dinner has been planned exclusively for us by the Executive Chef with each course being served separately by their unsurpassed wait staff. This 10th annual event will be presided over by our esteemed "Amigo" and Chairman, PRIP Frank Devlyn and Gloria Rita Devlyn. Spring is when Private Pilots look forward to some good weather and start planning their flights. Members of the International Flying Fellowship meet their friends at various Fly Ins. There are monthly meetings round the UK, some of them on weekdays to help those who hire club aircraft, a two day meeting in the Lake District in April and the main weekend meeting in Newcastle in July. There are overseas trips in May to Bruges and Trier. You do not need to be a pilot to join the IFFR, just a Rotarian with an interest in Aviation. This broad communication access will be of immeasurable benefit to you, your club and your district. There are few (if any) places where you can access so much international information so quickly and easily.

The ROTI leadership and members, approximately 2,000 strong from one hundred countries, will work to make you feel like a next door neighbor. You can benefit from the experience with and commitment to Rotary principles from our large group. It matters not if they are 10 or 10,000 kilometers away; a ROTI member is just a button click away on the Internet!

Our history is behind us! We are working to continue leadership in internet communication and its use to foster service and fellowship. If you have discovered the wonders of the Internet and the ease of world-wide communication that goes with it, you should join us. You do not need to be a technical genius. International Fellowship of Rotarian Musicians

http://www.ifrm.org

Promotes Rotary fellowship by encouraging clubs to sing, to organize musical activities for performance at all levels of Rotary functions, and to support community musical organization and school music programs.

Chair
Lee Denlinger - USA. Business: 1-925-8955385; Residence: 1-925-8467029; Fax: 1-925-8467029; E-mail: chair@IFRM.org

IFRM is working hard to make its presence known at the upcoming RI Convention in New Orleans, LA this May. Singing at the IFRM booth is popular with RI convention goers as is performing on stage in the Hall of Friendship. Booth Music Director Sharon Xavier de Sousa (RC of Tri-Valley, CA) duplicates song sheets so that Rotarians who pass by the IFRM Booth can join in fellowship through singing. Perhaps the most memorable experience, however, is when the IFRM members come together as the Rotary World Choir and perform Sunday morning at the Convention’s Interfaith Service. The music this year features songs from Korea and Mexico with a flavor of Americana. Choir Director Judith Walker (RC of Hammond, IN) selects the music, prepares CDs in each voice so
that singers can pre-rehearse their parts, and then brings it all together in a 1-1/2 hour dress rehearsal before the 10:00 a.m. performance.

Chair Lee Denlinger (RC of F.U.N. Sunset, CA) continues to promote the fellowship through the publication of a monthly e-bulletin, Staccato, and the biannual newsletter, Music Notes. With the administrative structuring of the fellowship under vice-chairs (Australia/Asia; United Kingdom/Europe; and India), IFRMers are better able to communicate with members in their immediate areas/regions. Please see our website at www.IFRM.org.

Chair
Simone Carot Collins - Australia. Residence: 61-8-94564762; E-mail: organist@iinet.net.au

2011 has been a busy year so far, with our new website at rosnf.net launched in January. A mini social network in itself, we now connect Rotarians centrally regardless of their preferred social sites. Our Facebook page at facebook.com/ROSNF also plays a vital role in connecting members of the Rotary family and providing regular tips and news relating to using social media.

Most of the panellists on the 2 social media webinars hosted by Rotary International in February were ROSNF members. As awareness of social networking grows, more and more of our members are being invited to be speakers at club and district meetings.

As of mid April, we are fast approaching our 1,000th member, with 967 members from 79 countries and more joining daily. We’re in the process of translating everything on our website into Spanish so we can operate as a multilingual fellowship as well.

We are gearing up for our first Convention as an official fellowship. Please stop by our booth in the House of Friendship and say hello!

Since the last edition of Fellowship Advancer, we have added two more fleets to our fellowship, one in Philippines (the fifth in two years), called Mabuhay Rotonda Fleet and one in South of France, Riviera Cote D’Azur Fleet.

One of the many projects that IYFR together with Rotary Clubs, gets involved in is the sailability programme, run in many countries, to help physically challenged people sail either with a crew member or on their own in specially adapted boats.

Our AGM will be held on Tuesday evening 24th May during the International Convention where our Change of Watch, effective from 1st July, will be celebrated. Incoming International Commodore is Clint Collier from San Francisco.
We will be having a Post Convention Cruise on Carnival Triumph from 26th to 30th May leaving from New Orleans, stopping at Cozumel for a day and returning to New Orleans.

From the editor

It has been a real pleasure and privilege to produce the two issues of The Advancer this year.

From the comments that have come back to me, the January issue was well received and most indicated that reinstating the newsletter was a good idea. I just wish that all fellowships would take this opportunity to ‘sell their wares’ to the many Rotarians who hopefully will read this newsletter and discover that they are missing out. I am amazed at the number of clubs I visit where no one knows about the fellowships, or those that are in fellowships do not share it with their fellow members.

For my part I have learnt so much about the fellowships I knew little about and was pleased to see the formation of new ones, too.

I am only sorry that I cannot be in New Orleans to meet up with you and share the fun in the House of Friendship, but I wish that your events and booths will prove as successful as they have been in the past.

With best wishes

Stella Russell
