VTICEOUT.ORG

Here's how it works:

A wheel of "cheese" will be floated on a pallet in the Retreat Meadows. You pay \$5 to guess when it will fall through the ice. You pick the day and the hour. You can buy as many guesses as you wish. You may purchase guesses from one of the participating organizations, or you may go to **vticeout.org**, purchase online, and designate your benefiting organization.

If you win, you will get 50% of the total pot; 25% will go to the organization from whom you bought your guess; and 25% will go to this year's designated charity, the Boys & Girls Club.
