August is Literacy Month. This year's event focuses on literacy concerning both children and the elderly. The Literacy Breakfast is the perfect venue for your club's literacy chair, vocational service chair, or anyone interested in literacy issues. ***Space is limited and reservations are on a first come- first served basis!***

Our Guest Speakers:

**Austin Beutner,
Founder, Vision To Learn**

**Jackie Lacey,
L.A. County District Attorney**

- Vision To Learn provides free eye exams and free glasses to elementary school students in low-income communities throughout California.
- District 5280 has undertaken an "Elderly Scam Awareness Outreach" project sponsored by the District Attorney. This Community Literacy Service may prevent an elderly person from being the victim of a crime. Education is prevention and Rotarians can make a difference!
